

WHAT IS ROTARY?

Since 1955 Rotary Club of Morgan Hill has been dedicated to local community and international service. We are 100+ women and men, local business professionals and community leaders, dedicated to public service.

There are countless ways to serve through Rotary, satisfying any member's particular interest and passion for giving. Our Club's philanthropic focus is on youth, seniors, local and international community service projects, and fostering ties between Morgan Hill and the world.
